CF/1285

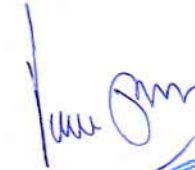

DATED: 12-05-2021

**TO WHOM MAY IT CONCERN**

It is certified that I have personally inspected School Building of Divya Public School, Sector: 44, Chandigarh. The Building is a Frame Structural building with intermediate Load bearing walls and was constructed in year 2004. On inspection, it has been observed that the same is Structurally Sound and stable and there is no deflection crack or any type of deformation has been found in the Structure.

The said building is fit for habitable use and running a school building. The Building is constructed with Basement, Ground floor and part first floor.
